Civil War School Day
Reenactor Sign-up

Friday, June 4, 2010
9:30 am to 1:00 p m

Each year, Pennypacker Mills holds a Civil War School Day program for area middle school students. It is the wonderful mix of demonstrations, presentations, living history, and hands-on activities that brings these schools back year after year. We welcome reenactors and living historians to participate in this program this year.

- The site will waive the registration fees of all those who participate in the School Day program. Send your fee in with your registration and we will reimburse you after the program.
- Please fill out this form and return it with your registration to Pennypacker Mills.
- We will permit participants to set up camp on Thursday evening if they wish. We ask that if you decide to set up on Friday morning that you are ready to go by 9:30 am when the students arrive.
- All vehicles must be out of the camp area before that time.
