On Saturday, June 4<sup>th</sup>, Pennypacker Mills will host Evening Lantern Tours for the visiting public. Over the years, we have built a steady audience for this program that is totally based upon the talents of the reenactment community. We invite you to participate in this wonderful program this year and ask that you return this sign-up sheet with your unit/organization's registration.

There will be a meeting on Saturday morning at 9 am at the mansion front door where we will have each participating group identify where their group is located on a site map so that lantern guides will know where to take their group during the evening. We will need to know what your group is planning to do for the evening as well. If your contact person cannot attend, please identify another member who can attend.
